Changing Consumer Behavior

The only 'Constant' in the digital world is 'Change' and that too is occurring at a rapid pace.

The term "New Normal" should be the first entry in our COVID-19 new normal dictionary. A fact widely accepted is, until the world sees a vaccine, we are to live with the limitations.

As the world emerges from the restrictions and lockdowns over the next few weeks and months, shoppers and retailers both alike will be looking at "Shop - Z", new-age retail that will redefine how you, me, and all of us are going to buy henceforth. This blog will give you a POV on the new normal.
