## HEAR THE CUSTOMER SPEAK

“ In the past year, the client made the decision to expand our sales model and customer base to include Exchange based business. This required the technology teams of the client and Zensar to work in a strong partnership, assessing requirements as they came in and evaluating the technology solutions that could quickly deliver the needed capabilities. We recognize our Zensar team has put in long hours and heroic efforts to help deliver the Exchange solutions both from a development and testing standpoint ”

The Zensar logo is rendered in a bold, white, sans-serif font. The letters are thick and closely spaced, with a modern, clean aesthetic. The 'z' and 's' have a distinctive shape, with the 'z' having a sharp, angular bottom and the 's' being a simple, rounded curve. The overall appearance is professional and tech-oriented.
